

## RAISING THE BAR - SEPTEMBER 28, 2009

### A GREAT DAY!

Thank you to the over 100 Club Members who came together Sunday to help clean up our home away from home, Mount Norquay. A great day was had by all while enjoying the camaraderie of our ski community and taking in the sunshine and mountains.

In total the Club removed 20 bags of garbage, rescued 15 hinged gates, consumed 120 hamburgers and 80 hotdogs and enjoyed an endless supply of laughs and smiles.

Athletes from all ages lent a hand including 21 of our K1 athletes who biked to the top of the Norquay road from the Timberline. Great job everyone!

### SKI SWAPS

Do you have some gear that you need to sell?

How about something to test yourself on the Big Chair with?

The Banff Alpine Racers Annual Ski Swaps are set for Saturday, October 10<sup>th</sup> in Canmore and Banff the following weekend on Saturday, October 17<sup>th</sup>.

The Swaps are a great place to pick up equipment for your kids, something for yourself or to sell the items your family has outgrown.

Club volunteers are needed for all four days to help with set-up, sales, checkout, security, customer service and teardown. Please contact Dave Musgrave [dmusgrave@renfrew-insurance.com](mailto:dmusgrave@renfrew-insurance.com) to volunteer; this event does count towards your annual commitment of Club hours.
