

RAISING THE BAR

NEWS FROM THE BANFF ALPINE RACERS

MOUNTAIN REGISTRATION DAY

Registration will be held on Sunday September 27th from 10:00 am – 12:00 pm in the Day Lodge at Mount Norquay. The club is accepting new skiers for the Nancy Greene Ski League for children 5-10 years of age.

If your family has registered using the electronic option please join us for the family bbq and hill clean up. In addition, if you have any questions regarding your children's equipment we'll have experts on hand to provide answers for you.

SUPPORT ONE OF OUR OWN

After several years of success on the Continental and World Cup circuits Banff Alpine Alumni Paul Stutz was not named as a returning athlete to the Canadian National Ski Team this past spring.

Paul believes that he still has what it takes to succeed at the highest level of our sport and is presently training hard to ski his way back onto our National Ski Team.

To assist Paul in his pursuits this season a fundraiser is planned in Banff on Friday September 25th at the HooDoo Lounge, 137 Banff Ave, from 7:00 pm – 11:00 pm. All proceeds from the evening will support Paul in his quest to return to the Canadian Team.

The evening will feature hors d'oeuvres, a live and silent auction and the opportunity to meet Paul and hear about his pursuit of the podium on The White Circus.

Tickets are \$20 each and can be purchased by contacting Wade Rettie at wrettie@shaw.ca.

SKI SWAPS – SAVE THE DATES!

The Banff Alpine Racers Annual Ski Swaps are set for Saturday October 10th in Canmore and in Banff for the following weekend on Saturday October 17th.

The swaps are a great place to pick up equipment for children or to sell the items your family has grown out of.

The locations will be confirmed in the coming weeks but in the meantime mark your calendars to volunteer for these great events.

Both weekends have a variety of shifts that need to be filled by volunteers from within the club. To confirm your availability please contact Dave Musgrave via dmusgrave@renfrew-insurance.com.

WHAT'S WRONG WITH THIS PICTURE?

Mallory is riding the lift with the bar raised, correct? Though the picture doesn't show it they are about to unload which is why the safety bar is up.
